

Suspension System Disclosure

For your information and your complete satisfaction on the vehicle you are considering purchasing:

This vehicle has been personalized or altered by Advanced Truck Accessories, Inc. Due to the fact that this vehicle has been personalized or altered; it is our obligation to disclose the following to you:

- a. Suspension has been altered for the conversion which may affect the ride and handling beyond the factory quality standards.
- b. Due to oversized or undersized tire and wheels, it may affect the accuracy of the speedometer, odometer, StabiliTrak, and ABS breaking system.
- c. Alignment of the vehicle will differ from factory specifications or normal handling.
- d. Because of the oversized after market tires installed it will change your gas mileage rating.
- e. The lift or lower on the vehicle you are about to purchase is supplied by Advanced Truck Accessories Inc, and is warranted by the manufactures of the various parts used in altering the vehicle, and by Advanced Truck Accessories Inc. These items are not supplied, marketed, or warranted by General Motors Corp.

Customer acknowledges and accepts these conditions before purchasing the vehicle and acknowledges they were disclosed prior to signing this form.
